

Admission, Fees and Reservation Policies

About MEC

With the aim of providing higher and technical education to the Muslim Minority Community, the Haryana Waqf Board in 2010 established Mewat Engineering College in the Mewat district of Haryana with the approval of AICTE. It is a minority educational institution and is open to all communities. The College building is situated in a sprawling campus of about 28 acres in the scenic backdrop of the Aravalli Ranges and is located in Nuh on the Nuh-Pataudi Road about 48 km from Gurugram and 80 km from New Delhi.

A panoramic view of Aravalli welcomes the visitor with its majestic presence along with the ruins of an old fort on top and a historical 600 years old Dargah and a Mosque at the foothill. The environment is pollution-free, fresh and healthy and is ideal for learning and intellectual activities.

The college has fully furnished laboratories and workshops with modern equipment, spacious class rooms and state of the art library. The college and the hostel campus is Wi-Fi enabled and has round the clock Power backup. The neighboring areas and the cities like Gurugram, Delhi etc. are well connected through transport facilities provided by the college. The college has a well-equipped gymnasium and adequate facilities for outdoor and indoor games and sports.

PROGRAMS AT MEC

The MEC runs the following programs under its various departments of studies:

B.Tech. in Mechanical Engineering	(60 Seats)
B.Tech. in Computer Sciences & engineering	(60 Seats)
B.Tech. in Civil Engineering	(60 Seats)
B.Tech. in Electrical & Electronics Engineering	(60 Seats)
B.Tech. in Electronics & Commn. Engineering	(30 Seats)
B.Voc. in Automobile Servicing	(30 Seats)
B.Voc. in Renewable Energy	(30 Seats)
D.Voc. in Automobile Servicing	(30 Seats)
D.Voc. in Software Development	(30 Seats)

ELIGIBILITY CRITERIA

The aspiring candidate should have passed the senior secondary/ intermediate/ 10+2 examination from any recognized Board/University with Physics and Mathematics as compulsory subjects in addition to one of the subjects of chemistry / biotechnology / Biology/ Technical Vocational with minimum of 45% (40% in case of candidate belonging to reserved category) in the qualifying examination as per AICTE regulations. The duration of the B.Tech. programme is 4 years.

Admission through Lateral Entry Scheme into 2nd year of the Programme: Admission in the 2nd year of the Programme (3rd semester) is also allowed for the candidates belonging to the following categories with the conditions as stated below:

- a. Passed Diploma examination from an AICTE approved Institution; with at least 45% marks (40% for reserved category) in appropriate branch of Engineering / Technology.
- b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% for reserved category) and passed XII standard with mathematics as a subject.
- c. Provided that in case of students belonging to B. Sc. Stream, shall clear the subjects of Engineering Graphics/Engineering Drawing and Engineering Mechanics of the first year Engineering program along with the second year subjects.
- d. Provided further that, the students belonging to B.Sc. Stream shall be considered only after filling the supernumerary seats in this category with students belonging to the Diploma stream.
- e. Provided further that students, who have passed Diploma in Engineering & Technology from an AICTE approved Institution or B.Sc. Degree from a recognized University as defined by UGC, shall also be eligible for admission to the first year Engineering Degree courses subject to vacancies in the first year class in case the vacancies at lateral entry are exhausted. However, the admissions shall be based strictly on the eligibility criteria as mentioned in A, B, D, and E above.

Lateral Entry

Candidate should have passed Diploma in Engineering/ Technology course of 3 years duration or more (after 10th class) or 2 years (after 10+2) from Haryana Board of Technical Education or its equivalent with at least 45% marks in aggregate OR should have passed B.Sc. Degree of minimum three year duration from a recognized university with mathematics as a subject, with 45% marks in aggregate.
